Dear Mr. Stenbridge:

The State Engineer will hold an informal meeting at the Summit County Courthouse in Coalville, Utah at 10:00 a.m. February 8, 1971 concerning your diversion of the waters of Marsh Creek.

This matter was called to your attention by a letter from this office August 21, 1969. However, it is understood this diversion is still being made in addition to your decreed rights from the Weber River.

Your prompt attendance at this hearing is requested.

Yours truly,

Rex A. Larsen
Hydrologic Engineer
